GOVERNMENT OF BOMBAY.
POLITICAL AND SERVICES DEPARTMENT.
Resolution No.1638/34.
Bombay Castle, 11th July 1950.

Read Government Resolution, Political and Services Department, No.1638/34, dated the 28th June 1944.

Letter from the Government of India, Ministry of Finance, No.F. 39(7)-E.V./50, dated the 21st April 1950, forwarding a copy of their office Memorandum of even Number and date:---

"The undersigned is directed to invite a reference to the Finance Department Letter No. F. 29(5)-RII/43, dated the 24th January 1944, stating that unless there was any provision to the contrary in the Contributory Provident Fund Rules of the Officer concerned, Government contribution should, in the case of those transferred from service under private bodies to service under Government or from one Government Department to another, be based on the pay which they would have drawn but for their transfer, and not on the pay drawn by them from time to time after transfer.

2. The question has been considered whether this decision should apply also in the case of officers who are eligible while in the service of the Central Government for Contributory Provident Fund benefits and are appointed to higher posts, carrying similar benefits, within the same Department or in another Department of Government. It has been decided that in the case of Officers, other than those originally transferred from service under private bodies to service under Government, the rates of subscription and of Government contribution will be based on the pay drawn in the higher posts, provided that the higher post also carries Contributory Provident Fund benefits."

RESOLUTION:— Copies of the foregoing Office Memorandum of the Government of India should be forwarded to the officers and Departments concerned for information.

2. Government is pleased to direct that the decision contained in the Office Memorandum of the Government of India should be adopted for the purpose of determining Government contribution of Government servants under it who are eligible for the benefits of the Contributory Provident Fund and are appointed to higher posts, carrying similar benefits, within the same Department or another Department under it.
